

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas Brown on April 18, 2008.

The application has been amended as follows:

IN THE ABSTRACT:

in line 4, substitute "said" with --the--.

IN THE CLAIMS:

in claim 1, line 15, substitute "camera, and," with --camera and,--.

Allowable Subject Matter

2. Claims 1-16 are allowed.
3. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or fairly suggest either alone or in combination thereof, an information input and output method by use of a dot pattern characterized in that,

on a medium surface of a printed material, a plurality of lattice dots are disposed in a rectangular shape and set as a block;

a plurality of information dots having various information are disposed by setting a key dot as a representative point, wherein an information dot is disposed at an end point of a vector, wherein a start point of the vector is set at a center surrounded by the lattice dots of four points and wherein the plurality of information dots are arranged in accordance with a predetermined rule by a dot code generation algorithm to thereby generate a dot pattern; and

the block which configures the dot pattern is imported as image data by a camera, and, from a numerical value which was calculated by digitizing the image data, information, and a program outputted.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
